

## *Palazzo Seneca chosen by Virtuoso as part of 2019 Culinary Travel Programme*

*“The perfect pairing of advisors and partners who have a shared passion for delectable travel, featuring experiences that go beyond traditional dining with deliciously interactive experiences”*

At home in an **Umbrian** palace – this is the atmosphere you will find in this elegant 16<sup>th</sup> century mansion in the heart of the **historic city of Norcia**, an elegant, deeply spiritual town and the Italian capital of the black truffle.

**A fusion of design and tradition**, simplicity and quality promoting the best culinary experiences in the destination such as authentic **black truffle hunting** all year round, **harvesting** and olive oil tastings, Sagrantino **wine tastings** in local wineries, Michelin starred or traditional **cooking classes** and much more!

*Please don't consider us a simple hotel!*
